FINANCIAL STABILITY

COMMUNITY PARTNERS

United Way of Central Maryland helps donors make informed choices about their charitable gifts. As a donor, you can:

1. **Direct your gift where it is needed most.**

   Donations to United Way of Central Maryland (UWCM) support more than 100 organizations and programs working to advance the building blocks of a good life: education, financial stability and health.

   A gift to UWCM (4444) helps create long-term social change that produces healthy, educated and financially-stable individuals and families. Donating to UWCM is the most powerful way to generate the most impact and solve critical community issues.

   You may also earmark your gift for use within a specific initiative or jurisdiction by selecting one of the following:

   - **2-1-1 Maryland at United Way of Central Maryland 899**
   - **Access to Healthy Food Initiative 4743**
   - **Family Stability Programs 3338**
   - **Education Programs 6381**
   - **Community Partnership of Anne Arundel County 7686**

2. **Or direct your gift to any health and human service nonprofit, including UWCM’s community partners:**
