Join **Team Webb** and receive a special LIVE UNITED t-shirt personalized by **Baltimore Raven Lardarius Webb** during the **NEW** Baltimore City 2016 United Way campaign.

It's a new day and a new way for the Baltimore City United Way campaign. Thanks to the new structure this year, your contribution will go further and do more to make positive change in your community. When you increase your pledge or make a first-time gift of at least \$75 annually during the campaign, you'll receive a **free, purple LIVE UNITED t-shirt** imprinted with Baltimore Raven Lardarius Webb's signature!

\$75 can make a big difference for a family in need— it can keep children on track in school, help families stay in their homes and out of shelters and provide healthy, nutritious food for seniors.

**No one can create change alone. That's why we need U. Show your purple pride** and help change the odds for families and communities right here.

\*To be eligible for the LIVE UNITED t-shirt, a donor must:

1. Increase his or her annual pledge or make a first-time gift of at least \$75 annually directly to United Way of Central Maryland, one of its programs (education, housing, employment, health, 2-1-1 Maryland United Way Helpline or a community fund) or any 501(c)3. A 5% fee will be deducted on designations, subject to a \$5 minimum and cap of \$500.
2. Must provide an email address when making the pledge.

The fair market value of these items is less than the \$10.20 limit enforced by IRS regulations. Offer valid while supplies last.
