EDUCATION

We subsidize quality, affordable child care and family support for toddlers, and provide before and afterschool activities for youth so that parents can afford to work knowing that their children are safe, learning and mentored.

INCOME

We provide support for resources that help people survive and work to ensure families have safe, affordable housing and the means to keep it.

HEALTH

United Way helps agencies provide shelter, legal protection and other core services to victims of domestic violence, sexual assault and child abuse, problems that tend to rise in families enduring economic pressures.
