

IGNITE CHANGE

WRITE. SHARE. GIVE. VOLUNTEER.

YOU

can fuel dreams—dreams that people in our community deserve to come true. Your support of United Way helps people live their best lives. Because stronger, healthier neighbors mean stronger neighborhoods.

United Way ignites positive social change. **Want proof?**

BUT CHANGE DOESN'T HAPPEN ALONE.

\$40

helps provide backpacks filled with school supplies for five low-income students.

\$100

provides an eye exam and glasses for five clients.

\$300

buys basic household goods for four families moving into permanent housing.

\$500

provides 10 families cooking classes, recipes, and groceries to make healthy meals at home.

\$1,000

provides crisis intervention and support services for four students in a school year.

YOUR GIFT IGNITES CHANGE.

Donors like you, volunteers, other nonprofits, area businesses, and community leaders are making lives and neighborhoods stable and healthier.
